Work even on 66 sts until piece measures 20" from beginning, or desired length to underarm. Bind off 24 sts at beginning of next two rows.

Work pattern A over center 10 stitches and garter stitch on the 4 stitches at each side until you have made an additional 5 inch long shoulder piece. Bind off.

Repeat these 12 rows 7 more times (total 8) for length of 16"

Bind off 5 sts at beginning of next 2 rows and continue to work in pattern for another 6 ½ inches (four repeats of the 12 row pattern). Bind off

Front:

Work same as back until piece measures 5 inches above the underarm decreases, three repeats of the 12 row pattern. End WS

Work in pattern for 33 sts, then bind off 14 sts and work the remaining 33 sts to end.

Turn and work back in established pattern, adding a second ball of yarn to the other shoulder. Continue to work both sides in pattern decreasing one stitch at the neck edge of every row. Work the 12 row pattern and the piece measures 6 1/1 " along the arm seam. Each side will have 24 stitches remaining. Bind off both shoulder sides.

Wash and block

Assemble by sewing the 4 shoulder seams, then the side arm to underarm seam. Sew the body side seams and the sleeve seams.

Neck:

Pick up 86 around the neck edges. Re-establish the patterns on the 10 stitches in center front, center back, and each sleeve. Work in K2 P 2 adjacent to these patterns. Work in patten for two inches, decreasing one stitch at each of two shoulder seams every round, until 56 stitches remain. Bind off.
